Prices, plans, and terms are effective on the date of publication and subject to change without notice. Square footage/acreage shown is only an estimate and actual square footage/acreage will differ. The final home constructed may differ from the home depicted in this brochure. Buyer should expect that changes may have been required to improve the existing design or to comply with all applicable federal, state or local statues, laws, codes, regulations and ordinances. Such design features may include, without limitation, the location or number of windows and doors, adjustments to location of walls or doors, the relocation of mechanical ductwork to avoid a framing or other system conflict, and/or layout of cabinetry. Floorplan One, elevation A depicted based upon architectural drawings dated 06/13/2018, updated in brochure on 11/21/2019.
